

## Update for British Riding Clubs in England 23 March 2021

At last, the future is starting to look more positive and following the announcements on 22 February we have now spent some time reviewing the Government's Spring 2021 Covid Response document.

The Government in England have announced a four-step plan to ease the lockdown and we have interpreted the guidance for British Riding Clubs. From 29 March BRC competition and training activities can resume, with the restrictions of the rule of six in place for training activities. The table below details the easements which come into effect at each of the four steps. **Updates will appear in red.**

Covid measures are still required for all activities and further details can be found here: [Coronavirus \(COVID-19\): guidance and support - GOV.UK \(www.gov.uk\)](#)
